

Antibiotic Stewardship Training Course

➤ Receive 3 **free continuing medical education (CME)** units while improving your prescribing ◀

Reason for taking this course?

Antibiotic misuse and overuse contributes to adverse patient outcomes and the spread of drug-resistant organisms locally. Receive three free CME credits and learn optimum prescribing habits during this course.

What kind of course is this?

Hosted by the Los Angeles County Department of Public Health, this course is an in-person interactive training on how to apply evidence-based stewardship techniques in your setting.

When and where is the course?

This course will be held on March 16, 2019 at 1000 W Carson St, Torrance, CA 90509. All presentations will be recorded to endure on the Department of Public Health's website. Breakfast will be provided.

☰ Course Outline
